

STATEMENT BY ST MARYS ON FLAMBOROUGH QUARRY

St Marys is initiating an Application for Judicial Review to the Divisional Court of the Ontario Superior Court of Justice seeking orders quashing both the Minister's Zoning Order of April 2010 and the Provincial Declaration of Interest of April 2011.

As St Marys has stated from the outset, the Flamborough Quarry would provide local jobs and investment, be operated to the highest environmental standards, and would serve the needs for high quality aggregate to build schools, hospitals and roads in southern Ontario at a reasonable cost to taxpayers.

We are confident that when the justice system weighs the issues in question, it will rule in an independent and just manner and uphold St Marys' very strong case.

We will not be elaborating on this statement at this time.
